

The Iowa Conservation Fund

Iowa Pheasants Forever Chapters face challenges today like never before. Each year the Iowa State PF Council, Pheasants Forever Inc., Regional Reps, and your local natural resource agencies challenge chapters to raise more money. Then chapters are asked to dedicate dollars to many habitat related programs, legislative initiatives, youth programs, it just seems like more every year.

The Iowa Conservation Fund is another program to raise dollars from chapters, but the chapter will receive support in the form of premiums to help raise additional habitat dollars. This is very much like the LAF program – but now we include donations for the Iowa Water and Land Legacy Coalition (IWILL) continued fight for long term natural resource funding. A chapter donating for a Farm Bill Biologist position can contribute to the Iowa Conservation Fund and receive the premiums. Maybe your chapter would rather have the premiums offered through Iowa Conservation Fund instead of LAF. You can send your LAF donation through the ICF. **Your dollars can be directed to the program or multiple programs the chapter is funding** (ex: Delaware PF has written a \$10,000 check to "Iowa Conservation Fund" - they want the funds broken down so that \$6,000 goes to Farm Bill Biologist and \$4,000 goes to IWILL).

The Iowa Conservation Fund is a great option for your chapter to consider. Several Iowa made products from great Iowa companies and an American made rifle from Ruger.

- Do you believe in IWILL and long term funding for natural resources in Iowa?
- Do you want to give a kid the chance to shoot trap, skeet, sporting clays?
- Should Iowa PF be promoting more shooting sports and skill building?
- Has a Farm Bill Biologist or Habitat Specialists created habitat in your county?
- Do you support Iowa legislative efforts that concern Iowa hunters, fishers and trappers?
- Do you contribute to our national legislative efforts?

THEN WELCOME TO THE IOWA CONSERVATION FUND!
