

# Legislative Action Fund 2014 Incentive Program

Dear Chapter Leader:

It's been your financial contributions to the Pheasants Forever & Quail Forever Legislative Action Fund (LAF) that has made it possible for us to be in Washington D.C. on a regular basis to fight for conservation and hunters.

Below, you'll see a variety of premiums offered with each level of contribution to LAF. As you can see by the suggested retail values of the items, chapters should have little trouble recouping their LAF investment by using these premiums at their next fundraiser. We need all chapters to make even the minimum investment in LAF. Help us create the tools you need to deliver habitat and more birds to your own local areas. A donation to LAF will make a difference to wildlife, water quality, and our great American hunting tradition.

To contribute, please make checks payable to Pheasants Forever's Legislative Action Fund.  
Send checks to: Pheasants Forever / Quail Forever; 1783 Buerkle Circle; Saint Paul, MN 55110.

Thank You!

*Howard K. Vincent President & Chief Executive Officer Pheasants Forever, Inc. & Quail Forever*
