

Outdoor Journey Volunteers

Motivated and Outgoing Adults needed for 2013!!

Outdoor Journey is a unique outdoor education opportunity that introduces 12-15 year old girls to some of the many outdoor activities available here in Iowa in a supportive, learning environment. Adult volunteers are responsible for assisting or leading small group sessions to these young participants. Volunteers are needed to allow these girls to have a positive and safe experience in the outdoors. Best of all, everyone learns and has fun! Smoking is not allowed on camp facilities.

There are three camps to choose from each summer: The western programs will be held at the Iowa Department of Natural Resource's Springbrook Conservation Education Center near Guthrie Center in June and August; the eastern program will be held at Hickory Hills near Waterloo in July.

Please fill out the information below on what session/s you would like to volunteer for.
If you have any questions, please contact Donise Grygierczyk at 515-205-8709 or Donise.Grygierczyk@dnr.iowa.gov
